SUMMARY

I am seeking a Front-End Web Development position. I have experience in coding such as HTML, CSS, JavaScript, PHP, and Bootstrap and am a determined individual who strives to get the best work done in a timely manner.

EXPERIENCE

FLAGLER HUMANE SOCIETY- GROUP PROJECT

2023 - Present

- Designed wireframes and prototypes on Figma for a redesign of the Flagler Humane Society website with 50+ pages.
- Used HTML, CSS, JavaScript and Bootstrap to build the site.
- Held weekly meetings with a 5 member team to make sure deadlines were being met.

SERVER - RED LOBSTER INC.

2015 - Present

- Clear and effective communication skills to interact with customers, take orders accurately, and communicate with kitchen staff.
- Ability to multitask and stay organized in a fast-paced environment, managing multiple tables and orders simultaneously.
- Collaboration with other team members and management to ensure smooth operations and excellent customer service.
